Teach art principles & feel free to adapt this to you — creativity is encouraged for both teachers & students.

Pumpkin Gnome Sculpture

Ages: 5-12

Materials:

watercolor paper	foam board
pencil	scissors
permanent marker	precision knife
watercolor paint	hot glue

Which art principle(s) or technique(s) does this lesson teach?

- Portrait
- Form
- 3-D Sculpture

Instructions for teacher:

1. Sketch gnome with pumpkin on watercolor paper using pencil. Trace using permanent marker.
2. Cut out gnome with pumpkin using scissors.
3. Watercolor paint gnome with pumpkin. Let dry.
4. Hot glue watercolor paper gnome cut-out to foam board. Cut out using precision knife. (Instructor cuts with the knife, not kids)
5. Cut out a triangle from additional foam board using precision knife. Hot glue to back of gnome for stability.
