

Teach art principles & feel free to adapt this to you — creativity is encouraged for both teachers & students.

Saltwater Ocean Sunset

Ages: 5-12

Materials:	canvas	acrylic paint
	pencil	watercolor paint
	permanent marker	salt
	watercolor paper	ruler
	hot glue	

Which art principle(s) or technique(s) does this lesson teach?

- Warm and Cool Colors
- Horizon Line
- Emphasis
- Unity/ Harmony/ Variety
- Torn Paper Collage
- Mixed Media

Instructions for teacher:

1. Draw sun on canvas using pencil and ruler. Trace with permanent marker and acrylic paint using warm colors.
2. Paint with watercolors on watercolor paper using cool colors & salt for texture. Let dry.
3. Tear watercolor paper into pieces, allowing white edges to show at the top.
4. Hot glue pieces of painted watercolor paper to canvas on the bottom half.
