

Teach art principles & feel free to adapt this to you — creativity is encouraged for both teachers & students.

Snoopy on a Starry Night

Ages: 5-12

Materials

- Canvas board, acrylic paint, sharpie, pencil, paintbrushes

Art Techniques

- Impressionism
- Brushstrokes
- Directional Patterns

Art Principles

- Emphasis
- Balance
- Movement/ Rhythm
- Pattern/ Repetition
- Contrast
- Primary Colors

Instructions

1. Sketch Snoopy laying on his house. Sketch some circles in the sky (different sizes).
2. Paint the underpainting of the background a mid-tone blue. Paint the circles yellow.
3. Using different shades of blue, create little brushstrokes of thick paint around the yellow circles and spread over the entire background. Use white and yellow for this also.
4. Paint Snoopy's house red and the grass green. Add any other details that you like.
