**Instructions**

1. Start with the bushes in the foreground
2. Next add the tiger's head, followed by the ears and face (the eyes should be slightly out of focus)
3. You can either add the blue stripes with pencil, or just skip this step and do it when you get to the markers
4. Draw the bird next and sharpie
5. Color inside of ears and nose with pink marker
6. Color stripes with the blue marker, making sure to use a lot of ink
7. Wet a brush and use the ink from the stripes to paint the tiger blue
  - a. Make sure to leave the blue around the eyes lighter
8. Watercolor in everything else
