Teach art principles & feel free to adapt this to you — creativity is encouraged for both teachers & students.

**Ages:** 5-12

**Materials:** Markers, Cardstock or Bristol paper, glitter glue, paint brushes, paper towel, markers

**Art Techniques**
- Mark Making—directional lines
- Outlining

**Art Elements**
- Line
- Shape/ Form
- Value
- Texture

**Art Principles**
- Emphasis
- Balance
- Movement/ Rhythm

**Instructions**
1. Sketch composition on Cardstock or Bristol paper using pencil.
2. Outline your sketch using an ultra-fine-tip marker.
3. Color in the background in with wavy strokes of cool colors. The wavy strokes create movement.
4. Color in the dog with your marker strokes going in the direction of the fur. Then add scarf and facial features.
5. Add some strokes in direction of fur with a slightly darker brown create texture. Do not blend them in.
6. Add facial features and final details.
7. Add glitter glue in sky to make stars and to break up the background a bit.
