Teach art principles & feel free to adapt this to you — creativity is encouraged for both teachers & students.

# Winter Wish

**Ages**: 5–12

**Materials:** Canvas or heavy paper, acrylic paints, Paintbrushes

**Art Techniques**

- Blocking in shapes
- Layering
- Texture

**Art Elements**

- Shape
- Color
- Line

**Art Principles**

- Emphasis
- Balance
- Harmony

**Instructions**

1. Draw the face, hair, hands, and the large circle using flowing curved lines.
2. Paint the background with a bright blue color.
3. Paint the hair black and add white dots to create a snowy effect.
4. Paint the face using a light skin tone and add soft blush to the cheeks.
5. Block in the clothing using warm colors to create contrast with the cool background.
6. Paint the circle light blue and add white dots for snow inside the globe.
7. Using a white pencil pastel or gel pen, draw a delicate snowflake in center of the globe.
8. Outline important shapes with a black marker or paint pen.
9. Add final details and highlights to complete the artwork.
